"Hot-Shot" Miniature Generator:
[redacted] Contract RD-13

This document is part of an integrated file. If separated from the file it must be subjected to individual systematic review.

25X1

1. Information at hand indicates that the development of our miniature generator (Hot Shot) could be accelerated approximately 30% if the contractor were to increase the number of engineers assigned to the project.

2. Since it is desired to expedite this project in every way possible, it is requested that the contractor be authorized to proceed on an accelerated basis.
